Your Future, Our Priority

Vision

Collaboration and trust empower our organization allowing all operation fields to achieve their full potential.

Mission

Aspire to excellence through being a bridge for academic pursuit of the younger generation. Our mission, to:

- Strive for a safe environment that encourages excellence in learning
- Develop a sustainable learning skills that recognize the social, emotional and academic needs of all relevant sectors
- Promote self-reliance, responsibility, and productivity in each individual as contributors to our society

About us

"**Al Mashreq**" is located and working in Alexandria founded in 2015 as a sister company for **Wide Horizons**, founded in 2003 holding a 15 years of business development experience. "Al Mashreq" was founded due to business expansion plans settled by our development team. Our personnel have worked in managerial levels in all kinds of schools, we are also proud to include a dozen of perfect special educational needs specialists.

Al Mashreq Education Consultancy and Management established to meet the demand from students and institutions for professional and independent professional services and including special educational needs. Al Mashreq is a consulting group of professionals with a combined experience of 20 years of international work in training, management, research, strategic planning, and organizational transformation.

Al Mashreq has an experienced team of professionals to provide services and solutions for every aspect of charter school/institute establishment and operation.

The company ensures the school's/institute Governing Body has complete autonomy and control over its school academic program, staffing needs and curriculum.
